REFLECTION

In this gospel, Peter named Jesus as the Messiah. Later Jesus named Peter as the foundation of the earthly Church and gave him the keys of power. Peter was to be like the steward of a palace making decisions for the Church community. God promised to stand behind Peter's decisions.

Reflection for Families Sometimes it seems like an awesome responsibility, but our children look to us as the rock on which they build many things: their trust in other people, their hope, and certainly their faith in God's promises. The way our children see us respond to others, what they hear us say, and what they see us do, will shape who Jesus is in their lives. Taking a moment to pray for guidance and wisdom before we act or react to a situation may be just enough to let Jesus in.

VOCATION VIEW

Don't run away from what you are called to be. Christians take the less travelled road. "What does it profit us if we gain the whole world but ruin ourselves in the process?"

VEYO COLLECTION—AUGUST 31

Dear Members of our Diocesan Family, In spite of staggering logistical challenges, VEYO has accomplished wonders in our Diocese this past year. Under the able leadership of Fr. Norbert Glasmacher, the Vocations, Evangelization and Youth Office of the Diocese of Peterborough has overseen projects too numerous to detail here. I will mention only a few. With respect to Vocations, the first year of the House of Formation was a towering success. Last September, five young men, all between 18 and 23 years old, began a year of discernment and preparation for seminary studies in Sacred Heart Rectory in the city of Peterborough. One of the five eventually withdrew from the programme; the remaining four will be entering the seminary this fall. Meanwhile, we had five candidates for the priesthood already in seminary formation. The Evangelization branch of VEYO often attracts the least attention, yet does some innovative and effective work. Their production of the Passion on Good Friday is always a triumph and this year was no exception, in spite of uncomfortably cold weather. Another project that really got off the ground this year was "Theology on Tap," which takes church-talk into area pubs, reaching a segment of the community that doesn't often come to us. Our Youth Office is particularly active. World Youth Day in Australia and SONfest in Lindsay dominated the year. Both were amazing successes, in defiance of great obstacles. The annual Diocese-wide collection for VEYO takes place on the Labour Day weekend. Please be as supportive as you can. The programs described above cannot be run on prayer and volunteerism alone. Please pray and volunteer, but please also support this necessary work as your finances allow. ***With prayerful best wishes, Most Rev. Nicola De Angelis, c.f.i.c. Bishop of Peterborough***
