St. Michaels Cemetery Tree Gifting Program

Parishioners are invited to participate in a programme of planting trees at St. Michael's Cemetery. If you have visited a family grave site at St. Michael's, you will have noticed numerous large trees in the older section of the cemetery. Trees offer shade, but also add colorful beauty to the landscape of cemeteries. A new section of plots has been opened. We would like to continue this long term tradition of planting trees as silent guardians for the many deceased members of St. Michael's Parish and our community.

We are hoping that families of our community will participate in a tree gifting programme by "adopting a tree". **The cost for the tree, planting and a plaque, is \$400.00.** The plaque will identify the family name which will be placed on a stand at the base of the tree. Sites for the trees will be chosen by the Cemetery Board to complement the future growth and expansion of the cemetery and planted in the spring.

ORDER FORMS for your 'tree gifting' are at the back of the Church or from the Parish Office.
