Development & Peace – Development & Peace---Care for Our Common Home Canadian Catholic Organization for Development and Peace's campaign, "For Our Common Home" is a new two-year campaign rooted in the encyclical letter, Laudato Si. The theme for the first year is "A Future for the Amazon, a Future for All". The Amazon is the largest tropical rainforest, spanning nine countries. Its resources help stabilize the climate of the Earth. The defenders of the Amazon are subject to intimidation, persecution, criminalization, violence, the cessation of their human rights and the deregulation of resource exploitation. You are encouraged to support the Diocesan weekend of action on November 23/24, 2019. Attachments follow. **Change starts with each and every one of us.**
