Diocese of Peterborough COVID-19 Vaccination Policy The stated position of the Church is that the available Covid-19 vaccines are ethical and may be taken by the faithful. Pope Francis has encouraged the faithful who are able to be vaccinated as an exercise in charity and care for the common good.

All clergy and employees serving in the Diocese of Peterborough as well as vendors providing contracted services are encouraged to receive the Covid-19 vaccine. If clergy and employees are partially or not vaccinated, they must submit weekly a negative Covid rapid test to carry out their duties.

In accordance with advice received from the Assembly of Catholic Bishop of Ontario, volunteers will be treated in a similar manner as clergy and lay employees.

Volunteers must likewise be fully vaccinated or submit a current negative Covid rapid test to fulfill their ministry. (Rapid tests, however, will not be accepted from Extraordinary Ministers of the Eucharist, who must be fully vaccinated to carry out their ministry.) These provisions are temporary and will continue only for as long as the Vaccination Policy is in effect.

It is fitting for God's people to offer public thanks for all the gifts we have received. The bountiful produce of the earth is a visible sign of the many blessings God wants to shower on us through Christ. Our God also wants us to share the goods of the earth with all people.

Pope Francis has announced that in preparation for the next Synod of Bishops, there will be a worldwide conversation in the Church or a "synod" about community, engaged participation, and the mission of evangelization. This conversation will follow a two-year path and involve the People of God - everyone, everywhere. The first phase of the conversation begins on October 17th at 10:30 a.m. when +Most Reverend Bishop Miehm will celebrate a Mass at the Cathedral of St. Peter-in-Chains. This celebration roots the synod in prayer, sacrament, and community. This Mass will also be live-streamed and available throughout the Diocese. All are invited to join in prayer as we begin this synodal conversation and unite it with the Diocesan Pastoral Planning Process. The Diocesan Pastoral Planning Committee is launching a survey inviting the input of all the People of God and this input will be part of both the worldwide and local conversations to establish pastoral priorities within the Church. More details will follow and please - look for the survey link and provide the benefit of your experience and your hopes for the Church - local and universal.
