Pope Francis has announced that in preparation for the next **Synod of Bishops**, there will be a worldwide conversation in the Church or a "synod" about community, engaged participation, and the mission of evangelization. This conversation will follow a two-year path and involve the People of God - everyone, everywhere. **The first phase of the conversation begins on October 17th at 10:30 a.m. when +Most Reverend Bishop Miehm will celebrate a Mass at the Cathedral of St. Peter-in-Chains.** This celebration roots the synod in prayer, sacrament, and community. This Mass will also be live-streamed and available throughout the Diocese. All are invited to join in prayer as we begin this synodal conversation and unite it with the Diocesan Pastoral Planning Process. The Diocesan Pastoral Planning Committee is launching a survey inviting the input of all the People of God and this input will be part of both the worldwide and local conversations to establish pastoral priorities within the Church. More details will follow and please - look for the survey link and provide the benefit of your experience and your hopes for the Church - local and universal.

WORLD MISSION SUNDAY-October 24 The theme of this year's World Mission Day – "We cannot but speak about what we have seen and heard" (*Acts 4:20*), is a summons to each of us to "own" and to bring to others what we bear in our hearts. This mission has always been the hallmark of the Church, for "she exists to evangelize" (SAINT PAUL VI, *Evangelii Nuntiandi*, 14)." ..in part Pope Francis' message for World Mission Sunday.
