Development and Peace Caritas Canada - "Stand for the Land" Campaign
 2023 Collection Date: Sunday, March 26.....Land is everywhere in the Bible, presented as a gift that comes with a call to be responsible. Though many of us remember God's commission to the first human beings to have "dominion" over the land, God tells the Israelites, his chosen people, that the land will also "vomit them out" if they mistreat it (Lev. 18:28). We may think dominion means the land is at our disposal, but in fact the land might dispose of us if we fail to care for it. In an age of climate change, we are seeing this biblical warning come to fruition.

Land in the Bible also carries a responsibility for the poor and the alien, producing and distributing the fruits of the earth for the good of all (Lev. 23:22). People and place are tied together in God's dream of a just relationship with creation. *more information* about the campaign, visit: <https://www.devp.org/en/campaign/stand-for-the-land/>
