At each station we use our senses and our imagination to reflect prayerfully upon Jesus' suffering, Death, and Resurrection, and to simply experience the visual images to reflect on Christ's love for us.*

**How to Find Time in the Day for Lent** Praying Daily: If you make a habit of saying a little prayer whenever someone irritates you, cuts you off in traffic, or makes life difficult; when someone does you a favour, you experience great and friendly service, or when something joyful happens to you—you will soon find yourself praying your way through the day. Try this simple practice and you will be observing the Catholic Church's call for greater prayer during the Lenten season. You will also find that this habit makes your life flow smoother, more centered, and your Spirit more aware of God's presence.
