### ROSARY IN OUR SCHOOLS

Good News! We have just completed our first year with the School Rosary Program or Rosary Apostolate as some of you may know it ran from October to April. This was a very successful program and with more volunteers, we will be able to expand the program to more grades. The elementary school children are introduced to Mother Mary and the prayers of the Rosary and how to pray the Rosary in the simplicity of their grade level. The object of the program is to have our children not only praying the Rosary on a regular basis but to fall in love with this format of prayer and bring it home to the family and possibly make it a lifelong devotion. For this program to be successful we look to you, our parish family for volunteers, to commit for one school year, once a month, to go to the school as a team of volunteers for about 2 hours at a time. You will be supplied with all materials needed along with training. If this new ministry sounds like something you may be ready to commit to, please call Deborah Scott at 905-242-4279. **If you are interested, please DO NOT wait until September. It takes time to go through the necessary approvals and it is better to do it in the summer months.**
